PROFESSIONAL SUMMARY

Resourceful full-stack developer combining a strong foundation in data structures with rigorous critical thinking to architect scalable web platforms. I seamlessly integrate modern frameworks and AI-accelerated workflows to rapidly problem-solve and deliver robust, user-centric applications from concept to deployment.

EDUCATION

B.Tech. in Computer Science & Engineering **2025-2028**
[Institute of Technology, Nirma University](#) Ahmedabad

Diploma in Computer Engineering **2022-2025**
[B & B Institute of Technology](#) affiliated with [GTU](#) Vallabh Vidhyanagar

EXPERIENCE

AI Intern **Jun 2024 – Aug 2024**
Webial Technology Pvt. Ltd. Vallabh Vidhyanagar

- Built a Python-based College Chatbot using regex, CLI, and dictionary data structures
- Trained ML models (SVM, Decision Trees, K-Means) using Scikit-learn and TensorFlow

PROJECTS

[PrintStack](#) | Next.js, TypeScript, Supabase, Tailwind CSS    **Mar 2026**

- Built a digital marketplace with a 4-person team to eliminate print queues via instant quoting.
- Engineered the Next.js platform, securing document privacy with strict Supabase RLS.
- Deployed a live POS dashboard, securing 100% of payments via PhonePe webhooks.

[TautologyAI](#) | Next.js, FastAPI, Google Cloud AI, Firebase    **Nov 2025**

- Led a 5-person team to develop an AI delivering instant legal document summaries and risk detection.
- Engineered the full-stack application using Next.js, FastAPI, Firebase, GC Document AI and Gemini.
- Rapidly delivered the functional prototype for the Gen AI Exchange Hackathon.

[DStrA](#) | Next.js, TypeScript, MongoDB, Tailwind CSS, Judge0 API    **Jul 2025**

- Founded a custom DSA learning platform to simplify complex curriculum for GTU diploma students.
- Built the full-stack application with Next.js and MongoDB, including secure auth and an admin panel.
- Integrated the Judge0 API to provide an interactive in-browser compiler for code visualization.
- Independently drove the end-to-end product lifecycle to bridge a gap in accessible educational tools.
